LEARNING OBJECTIVES:

At the end of the presentation, participants should be able to:

1. Identify why and how it is important to recognize and address domestic violence when it occurs to your colleagues,
2. Summarize your legal responsibilities regarding domestic violence in the workplace,
3. Realize that evidence-based social justice activities are consistent with the CanMEDS Health Advocate role (and that you are positioned to be particularly effective because of your privilege), and
4. Be prepared to promote "Domestic Violence: A Learning Module for Physicians and Health Professionals" to your colleagues and learners.
