

## Aerospace Medicine Rounds

### What's new at Transport Canada? New Medical Standards for Remotely Piloted Aircraft Systems

Tuesday, June 4, 2024  
12:00 – 1:00 p.m. (ET)

#### Dr. Tyler Brooks

CD MD DAvMed DRCPSC CCFP

Director, Civil Aviation Medicine

#### Learning Objectives:

By the end of the lecture, the participants will understand:

1. Differences between Remotely Piloted Aircraft Systems (RPAS) and traditional aviation, in terms of operations and aircraft;
2. The specific hazard that the new medical standards for RPAS is aimed at preventing; and
3. The main categories of medical conditions that the new medical standards for RPAS are focused upon.

#### Zoom Details:

<https://utoronto.zoom.us/j/86062132680>

Meeting ID: 860 6213 2680 Passcode: 915420

A post-rounds evaluation survey will be circulated shortly after this date.

Please email [aerospace.med@utoronto.ca](mailto:aerospace.med@utoronto.ca) to be added to the Aerospace Medicine Rounds and/or the Occupational Medicine Rounds Mailing Lists.

The next Aerospace Rounds will be taking a break for the summer and resuming on **Tuesday September 10, 2024**
